DETAILED ACTION

Information Disclosure Statement

1. Any foreign language documents submitted by applicant have been considered only to the extent of the short explanation of significance, English abstract or English equivalent, if appropriate. Additionally, a plurality of the document numbers provided on the information disclosure statement filed September 2, 2009 did not match the other data on the form and were not directed to related references. The examiner believes there were typographical errors in these numbers and has changed these document numbers to the document numbers that match the rest of the data provided for the reference.

Response to Arguments

2. Applicant's arguments, see page 5, filed September 2, 2009, with respect to claims 7 and 8 have been fully considered and are persuasive. The rejection of claims 7 and 8 has been withdrawn because these claims have been cancelled.

Allowable Subject Matter

3. Claims 1 - 6 are allowed.

4. The following is an examiner's statement of reasons for allowance:

Claims 1 - 6 were allowed in the previous office action and are allowed for the reasons provided therein.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

5. Any inquiry concerning this communication or earlier communications from the examiner should be directed to ROBERT A. CLEMENTE whose telephone number is (571)272-1476. The examiner can normally be reached on M-F, 7:00-3:30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Michael Marcheschi can be reached on (571) 272-1374. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
